

Equine Internship

B&W Equine Group have an exciting opportunity for a committed and hardworking individual to join us for an 18-month Internship. As the successful candidate, you will have the chance to learn and develop your knowledge and skills alongside internationally renowned specialists within our state-of-the-art equine hospital in Gloucestershire.

Starting in Spring/Summer 2108, you will work as part of a team of 4 Interns and alongside an experienced team of equine vets, including 6 Diploma holders with specialisms in surgery, medicine, imaging and dentistry as well as a team of ambulatory vets, with the expectation that Interns do some ambulatory work. The hospital is busy with a wide and varied caseload and benefits from cutting edge facilities and equipment. Out of Hours hospital duties are shared equally on a 1 in 4 rota.

We provide a well-structured Internship programme with Interns encouraged to make regular contribution to internal CPD groups such as journal clubs and imaging rounds as well as being encouraged to take part in a research project. As part of the CVS group Interns are also enrolled on the CVS new graduate scheme which provides mentoring and both clinical and non-clinical CPD.

Applicants should be enthusiastic and good at working in a team. 6-12 months experience preferred but not essential and must have a veterinary degree that is registerable with the RCVS. For further information or to apply please visit the vacancy at:
